WORK EXPERIENCE

Founder, Digital Fashion Resale Business
Depop, Poshmark, eBay, Whatnot · New York, NY JUL 2020 – PRESENT

- Scaled a multi-platform fashion resale business by applying trend analysis and merchandising strategies to optimize marketplace performance.
- Evaluated competitor pricing, demand patterns, and platform insights to identify opportunities and optimize sell-through and product visibility.
- Analyzed customer behavior, engagement, and sales data to uncover purchasing patterns and refine product sourcing decisions across resale platforms.
- Completed 500+ verified sales while maintaining consistent five-star customer ratings.

Virtual Client Advisor
Ralph Lauren · New York, NY JAN 2022 – JAN 2023

- Developed weekly performance reports on conversion, closed rate, and client engagement metrics to inform managerial planning, performance tracking, and sales strategy.
- Managed the NotifyMe pipeline, engaging high-intent clients to maximize conversions.
- Supported the launch of Ralph Lauren's digital commerce team, enhancing the omnichannel client experience across online and in-store channels.
- Built long-term client relationships through personalized outreach, driving repeat engagement.

Assistant Manager
J.Crew · New York, NY AUG 2021 – JAN 2022

- Oversaw daily store operations and task delegation to maintain a high-performing sales floor.
- Monitored daily KPIs (traffic, conversion, UPT, and AOV) to evaluate performance and adjust sales strategies in real time.
- Assessed inventory levels and sell-through patterns to identify product opportunities and improve revenue performance.
